HATCH-MILLER PROPOSED AMENDMENT # 1

TIME/DATE PREPARED May 12, 2008 @ 9:30 am

COMPANY: UNS Electric, Inc.

AGENDA ITEM NO. 1

DOCKET NO E-04204A-06-0783

OPEN MEETING DATE: May 14, 2008

Page 63, lines 3 through 11

DELETE lines 3 through 11:

INSERT "Although there were reasons offered in support of the elimination of free footage, we do not find that those reasons are sufficient to offset the negative impact of elimination of free footage on customers. However, we agree with Staff that UNSE's proposed SCC should not be adopted in this proceeding. The issue of hook-up fees for UNSE would, at least at this time, be better addressed in the generic docket where all relevant factors can be considered, including the income tax implications for companies that the implement hook-up fees."

Page 81, lines 17 through 19, FOF 35

DELETE FOF 35, INSERT NEW FOF 35:

"The reasons offered to eliminate free footage are not sufficient to offset the negative impact of elimination of free footage on customers. We also decline to adopt the \$250 service connection charge proposed by the UNSE."

Make all conforming changes.
